Applications with incomplete or inaccurate documentation will be put on hold by our processing team and will not be able to be sent on to the Grant Review Committee until all parts are complete and accurate.

To submit your application, all complete and accurate materials should be sent over email to communications@madisonregion.org.

Please reach out with any additional questions you have about the application process.

Due to the extremely high volume of interest in the program, no business or business owner has been or will be eligible to receive more than one grant through this program in our region regardless of the number of businesses they have ownership in or the number of locations the business has.

Our team is working as quickly as possible to process and review all applications. The process gets quite delayed by incomplete applications as it takes staff time away from processing & reviewing complete applications. We greatly appreciate your patience, understanding and cooperation.

Thank you,
MadREP Communications
